ABOUT THE WEBINAR

Indian economy is primarily based on the agricultural sector with more than two-thirds of its population depending on agriculture for its livelihood. The livestock sector is a major contributor to the agriculture sector with a share of 28.63% of total agricultural GVA and 4.19% of total GVA of India. The livestock sector in the pandemic phase of Covid-19 has maintained the economic growth of India. With huge livestock resource, it has opened new opportunities for young demographic dividend of the country. Thus, in order to sensitize the students about the career and entrepreneurship opportunities in livestock sector, webinar on “Future Perspectives and Career opportunities in Veterinary Sciences” is organized by the NAHEP-CAAST-MAFSU which will be helpful to guide the students on various aspects of their career opportunities.
