ABOUT THE SEMINAR

Living and studying in USA will be rewarding and enriching experience, especially for PG and Ph.D Students who are preparing and seeking reliable guidance. With this intention the MAFSU, Mumbai centre has organised this programme for the Students, Academicians and Researchers who are considering to undertake higher education in the Higher Educational Institutions in United States. The seminar will definitely help the aspiring Students, Academicians and researchers to find the best place for their higher studies by gathering the authentic information from the very reliable source that is United States-India Educational Foundation.
